- Our new CITY range, for high volume outlets who need the best price / quality combination.
- Barista Training to City & Guilds VRQ Level 2, and the SCA Qualifications.
- Packages that include the espresso machine, grinder and all the essentials to get you started.
- Technical services offering everything from machine installations to full espresso machine rebuilds.
- Years of experience in the coffee business which we will share with you to help you with *your* business.

COFFEE BEANS

1

Our own CAPRICCIO range of roasted coffee beans has something for everyone, from our 100% Arabica PREMIUM, which wins in blind tastings time and time again. A good DECAF espresso is hard to find, but we have done it with our central America blend. If you are looking for an ethical coffee then our TRIPLE CERTIFIED ETHICAL are the ones to choose...

AWARD WINNING
SMALL BATCH
HAND ROASTED

In early 2017 we decided to enter the Great Taste Awards, which is a competition of the UK's finest food and drink producers - over 13,000 of them in total - and we won two awards - the top 3 STAR award for our ANVIL #1 coffee and a 1 STAR award for our BRAZIL coffee, plus we were selected as a TOP 50 PRODUCER!

Our own "City" range of espresso beans offers an amazing combination of high quality, medium to dark roast beans and exceptional value for money, blended and roasted by us!

1 Case = 6 x 1Kg. Free delivery on orders over £80.

Hausbrandt Coffee has a great history, roasting coffee since 1892 and a wonderful heritage right at the heart of the Italian coffee roasting industry in Trieste, Italy.

Hermann Hausbrandt was one of the first real artisan coffee roasters, able to deliver the very highest quality coffee while maintaining a level of consistency and freshness never before achieved.

At Hausbrandt, quality is the key, so they are selective about who they chose to sell their coffee.

Qualitasse are UK Distributors for Hausbrandt and can offer the best pricing and marketing support packages.

TECHNICAL SERVICES

Emergency Repairs

If your espresso machine or bean-to-cup machine develops a fault, we can get it back into operation for you - fast. For those jobs that take a little longer we can loan you a machine to keep you suitably refreshed.

Routine Maintenance

Whether it's a front-end service on your espresso machine, the changing of group seals, a full de-scale (see calcium treatment units below!) or the regular exchange of your calcium treatment unit, we have the tools and skills to ensure a cost effective solution.

Calcium treatment units specially optimised for coffee extraction

Protect your machine and make a better coffee and tea with softened water.

The Prima CTU takes out most of the harmful elements whilst retaining some of the minerals that enhance the aromas and tastes of the coffee. Designed with a blended head to further improve the taste and quality of your coffee. Our calcium treatment units are the first units to be able to separate resin and carbon to give optimum capacity and efficiency.

Essential Hygiene Products

Specifically formulated for the hotel, restaurant and catering industry

LIQUID STAINAWAY - 1 litre

BREWCLENS TABLETS - 100 tablets

As above in tablet form.

HYKLOR STERILISING TABLETS - 250 tablets

Effervescent chlorine release tablets for sterilising liquid waste containers - minimises odour.

MICROCLENS - 750ml spray

Food contact surface detergent sanitizer spray. No need to rinse. Food safe. EN13697.

MILGON - 1 litre

Liquid milk-line emulsifier to remove milk deposits from milk lines.

MILD DESCALER

For DIY descaling of coffee brewers, tea urns and water boilers.

Our most popular barista training courses...

Barista Taster Course

For those with no experience in coffee making that want to get an insight into the exciting world of coffee. On our coffee barista taster course you will be shown what goes into making great coffee and why freshness, grind and maintenance are so important. Free with all espresso machine purchases.

Barista Boot Camp

Developed by the Beverage Standards Association (BSA) for people new or relatively new to the position of barista. Provides a foundation for higher skills and knowledge and completion of this course counts towards the City & Guilds qualification.

City & Guilds

This is a three-day course for people who are serious about being a good barista. You will receive a recognised qualification, which is accredited by both City and Guilds and the BSA. Great for both baristas and also for managers to ensure a solid understanding of the barista's skill set.
