EX3 MINI 2GR DISLAY TA BLACK SMART STEAM

EX3 2GR DISLAY TA BLACK SMART STEAM

The EX3 can be equipped with our well-known SmartSteam, CREM automatic steamer wand solution with an integrated temperature probe to easily froth milk.

Our SmartSteam provides a barista quality foam with any kind of milk, as temperature and air pump can be easily adjusted. Furthermore, our SmartSteam wand design allows you to easily change the nozzle between the turbo (faster) and the barista one (slightly slower, but performing a premium quality foam).

Features

- 2x2 function lever^{NEW}
 - Push & Flush
 - Two set recipes
- Adjustable temperature & foaming levels (recipes) through the group display
- Auto cleaning system: number of cycles and frequency (1-min-30min; 5 min default)
- Two different nozzles: turbo (faster) and the barista one (slightly slower, but performing a premium quality foam)
- Ergonomics and functionality very similar to a standard wand while keeping aesthetics
